

EGG 102 – Introduction to Engineering Design (Spring 2002)

Class Exercise #1: PRE-Operative Writing and Oral Assessment

Objectives:

- Identify your current ability to prepare technical reports and make a technical presentation.

Please circle the appropriate response to the following questions

	Strongly Agree 1	Agree 2	No Opinion 3	Disagree 4	Strongly Disagree 5
1. I have written engineering-related documents in the past.	1	2	3	4	5
2. I am confident with my writing ability	1	2	3	4	5
3. I think it is appropriate for an engineering writing class to include written and oral presentation assignments	1	2	3	4	5
4. I am confident with my public speaking abilities	1	2	3	4	5
5. I have had problems writing the content of papers in the past.	1	2	3	4	5
6. I have had problems organizing the presentation of my ideas in papers in the past	1	2	3	4	5
7. I revise my papers several times before turning them in.	1	2	3	4	5
8. I am familiar with ways to cite and document sources in research papers.	1	2	3	4	5
9. Writing academic papers is very difficult for me.	1	2	3	4	5
10. I know how to prepare and deliver oral presentations.	1	2	3	4	5
